Newsletter Friday 13th February 2026

Dear Parents and Carers,

It's been a busy week this week from enjoying a special Pancake lunch on Monday to ending with Children's Mental Health week afternoon (and tuck shop) today. All week we have been focussing on raising the profile of Children's Mental Health Week and working with the children to give them top tips and strategies. Thank you to Kath for organising this as our School Mental Health Lead.

SIAMS Inspection Report

We were delighted to share our church school inspection report with you at the beginning of the week. If you didn't get a chance to read it or missed the email, you can find it on our school website [HERE](#). A big well done to everyone for being an important part of our school family and for enabling Danby School to be:

'A loving and caring village school where everyone is welcomed and nurtured to achieve their very best.'

Scholastic Book Club

Your child will be bringing home a brochure today from Scholastic Book Clubs. If you are interested in ordering any books from the book club, go to <https://clubs.scholastic.co.uk/C-PZKP15ND> to browse the latest books and order online. For every £1 you spend on this month's Book Club, our school will earn 20p in Scholastic Rewards to order books for our school library. Any orders will be delivered to school free of charge once the deadline has passed. If you would prefer to pay in cash, please write down the code, name of the book and price and send it to school in an envelope with the cash and Sarah will place the order for you.

Please place your order online by March 2nd, 2026.

Thank you in advance for any orders.

Y1/2 Gymnastics

Last Friday, our Year 1 and 2 children had a fantastic time at Whitby School enjoying their gymnastics session. They worked hard, whilst having lots of fun practising a range of skills including forward rolls, handstands, vaults and balancing. It was wonderful to see their confidence grow as they challenged themselves and supported each other. Well done, everyone - amazing effort and big smiles all round!

Infant Game of Life

On Wednesday the infants were treated to a G.O.A.L. - Game of Actual Life workshop with Mrs AnneMarie Carson from Simon Carson Sports Services. G.O.A.L is a life & financial educational programme for primary school children, aimed to develop their literacy, numeracy and communication skills in the real world environment. During the day they took part in a number of practical activities such as drawing a family tree, working as a zookeeper for the day, caring for others and buying a pet! Throughout these activities they learnt about responsibility, implications of decision making and money. Well done to all the children for getting so involved and getting the most out of the day.

Road Safety Message

We have been asked to share some information with you from North Yorkshire Police about Road Safety in Whitby concerning E-bikes:

"E-bikes" are becoming increasingly popular with young people in Whitby and across the coast command— but not all e-bikes are legal. That's why Whitby Neighbourhood Policing Team recently had an illegal e-bike removed from a child before the child, or someone else, was seriously hurt.

Many e-bikes sold online or in UK shops do not meet UK road legal standards. Understanding the rules, however, can be confusing, with factors such as power output, age limits, top speed and modifications all coming into play. To make matters more complicated, some e-bikes which are not road legal are sold alongside pedal cycles and toys in big-brand stores. So where do you start?

A helpful first step is to look at the pedals. In simple terms, if the bike has pedals that rotate and actually propel the bike, it is more likely to be road legal (but not always!) for riders aged 14+ and classed as an Electrically Assisted Pedal Cycle (EAPC). However, even these can be modified, making them unsafe and unlawful.

If your child is riding an e-bike without pedals that propel it, it is far more likely to be illegal on UK roads and classed as a "Motor Vehicle" — like a car or moped. This means that in the event of a collision, for example, your child may be treated as if they were driving a motor vehicle and could face committing serious offences such as dangerous driving. Alongside this, they could face penalties for:

- *Riding without insurance*
- *Riding without a driving licence*
- *Speeding and other Road Traffic Act offences*

Fostering North Yorkshire - recruitment campaign

Right now, we urgently need more foster carers across North Yorkshire, and we hope this film will be the spark that encourages someone to take that first step. Watch the short film and learn how you can make a difference.

'Pharmacy First' availability for minor illness / ailments in children

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).

To find a local pharmacy to you visit the [NHS website](#)

There's further information about what pharmacies can do at [Let's Get Better](#)
