Newsletter Friday 20th March 2026

Dear Parents and Carers,

FODs Craft Event - Wednesday

A reminder about the FODS Easter crafts workshop on Wednesday 25th March 3:30-5:30pm. The craft workshop comprises of 3 stations: egg decorating (the children will be given a ceramic egg to decorate how they wish), Easter bunny felt decoration making, Easter cupcake decorating. All 3 items our children will be able to bring home with them to decorate our houses for Easter. There will be an Easter egg hunt as well and the children will win a mini Easter egg each at the end. Food will be provided: picky tea of sandwiches, pizza, sausage rolls, crisps, veg sticks and an ice pop for pudding. This is the first Easter craft workshop that FODS has run and we really hope it will be a success. The price will be £6 per child for them to take part.

Please use this [Google Form](#) to sign up your child to attend.

We are also sending out a big plea for parents who are willing to help as we will need a few hands to help with the crafting and egg hunt. Please email FODS@danby.n-yorks.sch.uk to let us know if you can help with this event or speak to one of our committee members (Lizzie, Becca or Suzannah).

Thank you so much in advance and thank you for your continued support of FODS.

Comic Relief

We've had a great day today raising money for the Red Nose Day Comic Relief Charity. The children looked super all dressed up and we all enjoyed some delicious cakes, thank you to everyone who took the time to bring some in for the children. In the afternoon, children in Years 3 and 4 went to a hockey tournament at Whitby School and the rest of us did a red nose hunt, designed our own noses, played a roll the red nose number game and watched a red nose. Thank you very much for all your donations - we have raised £75.30 for Comic Relief which is wonderful and will be gratefully received.

Federation Science Day with Rocketman!

What a fun and educational day we all had on Thursday at the Science themed Federation Day. Nick Corston from STEAMCo ran an 'Our Rocket Kids' event for children from both Egton and Danby Schools. The children were split into two groups by Key Stage and one group stayed in school whilst the other went to Danby Village Hall to do lots of fun science based learning and then they swapped round at lunchtime.

The session in school began with an inspiring and engaging assembly with lots of interactive elements included. The children then made their own paper air rockets and finished off with a real rocket launch in the playground! It was a very exciting and rewarding day for everyone and we would like to pass on our thanks to Nick for his enthusiasm and knowledge. All children from the age of 4 to 11 were engaged throughout the entire session and loved every minute.

At the village hall, the infants explored the exciting themes of space and materials through a range of fun, hands-on activities. The children enjoyed baking delicious "moon rock" cakes, creating imaginative aliens out of clay, and designing their own telescopes using a variety of materials. To inspire our learning, we shared the stories Look Up! and Aliens Love Underpants, which sparked curiosity, creativity, and lots of fun!

Junior children completed an 'Expanding Universe Balloon Experiment' where they used vinegar and bicarbonate of soda to blow up a balloon and demonstrate Edwin Hubble's scientific discovery that the

universe is expanding. This was great fun and the children were amazed at how this worked! They then used their knowledge of forces to create Mars Rovers, demonstrating skills of perseverance and teamwork. Well done everyone!

Thank you to our two school cooks and Danby dinner staff who expertly managed a two sitting lunchtime and served a delicious space themed lunch!

What an amazing picture! A huge thank you to Nick at STEAMCO!

Y3/4 Peat Rigg Residential Parent Meeting

Castle Howard Educational Visit

A reminder that the whole school is going on an educational visit to Castle Howard on Tuesday. We will be leaving school at 9.00am prompt and will be unable to wait for any late comers so **please can everyone be at school at 8.45am**, thank you. The coach will leave Castle Howard at 2.30pm and so we should be back to school by 3.30pm, traffic permitting.

The school cook will make packed lunches for children who usually have a school dinner. If you are unsure whether your child has ordered a school packed lunch or not, please get in touch.

Children should wear school uniform for the trip and bring a backpack to carry their packed lunch and a drink. Please can everyone wear sensible shoes and bring a coat as we will be spending some of the day outside in the grounds of the castle.

In line with our Charging and Remissions Policy, we would like to ask for a £5.00 per child Voluntary Contribution to go towards the cost of this trip which can be paid via your child's Parentpay account or in cash to the school office. Thank you.

Parentpay Balances

As we are nearing the end of the financial year (31st March), please can all children's Parentpay accounts be settled before the end of the month so that we can begin the next financial year with zero balances? Thank you very much.

Safeguarding Children Telephone Number

If you have a safeguarding concern about a child, please note that from the 1st April 2023, the main customer service line for the new North Yorkshire Council will be changing. The new number will be **0300 131 2 131** and will replace the old 01609 780780 number. This will mean that all contacts for referrals for children within North Yorkshire need to go through the 0300 131 2 131 number. **This includes any contacts out of hours for the Emergency Duty Team.**

The contact number for the professionals line will remain the same 01609 535070.

The updated details regarding making a referral for a child in North Yorkshire have been updated on our website (www.safeguardingchildren.co.uk/about-us/worried-about-a-child).

Adverse weather conditions

Just a reminder that this week we sent out a reminder of our school policy in the event of adverse weather conditions. Mobile Phones, Smart Watches and Devices

Mobile phone and smart watch technology has advanced significantly over the last few years and continues to evolve. Many phones and smart watches now offer internet and e-mail access, alongside standard functions of messaging, tracking, camera, video and sound recording. We are also seeing an increase in Smartwatch 'look-alikes' which have games and activities on which are proving a distraction to learning and are time consuming for teaching staff to monitor.

Smartwatches and Smart-Watch lookalikes are therefore **not permitted** to be worn to school in line with the recent change in Government guidelines.

However, in line with our passion for helping children to tell the time, a standard analogue or digital wrist watch may be worn. If you are unsure whether your child's watch is appropriate, you are welcome to check in with a member of staff.

Smart Watches and devices that are brought to school for any reason will be kept safely until the end of the school day.

For a reminder of our school uniform please see our website page [here](#)

My Happy Mind

Just a reminder that you are able to access the [Parent App](#).

The children's engagement in our My Happy Mind project has been a huge success in school so far. Accessing the Parent App would help to reinforce the strategies taught in school at home and strengthen the positive habits that we are trying to encourage in our children.

Fostering North Yorkshire - recruitment campaign

Fostering North Yorkshire is proud to be part of a national campaign to recruit more foster carers, marked by the release of 'The Run', a powerful short film about Tom, an 11-year-old boy whose life begins to change with the care of a foster family.

Right now, we urgently need more foster carers across North Yorkshire, and we hope this film will be the spark that encourages someone to take that first step. Watch the short film and learn how you can make a difference.

'Pharmacy First' availability for minor illness / ailments in children

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).

To find a local pharmacy to you visit the [NHS website](#)

There's further information about what pharmacies can do at [Let's Get Better](#)
