### Newsletter Friday 6th March 2026

Dear Parents and Carers,

We had a great day today celebrating World Book Day in school. Everyone made a super effort and looked wonderful in their costumes. Throughout the day, the children took part in a variety of World Book Day activities including Jackanory where juniors and infants came together for some shared reading and some fireside reading and in the afternoon, everyone took part in a World Book Day themed 'book character potato' competition. Well done to Violet & Joseph (Infants) and Olivia & Ben (Juniors) who were the winners! Well done.

North Yorkshire Caterers also donated a £5.00 National Book token for the best dressed which was judged by our very own school cook, Natascha. After much deliberation she awarded the book token to Ted in the infants who was dressed as the Lion from The Wizard of Oz. Congratulations on making such a super effort with your costume★!

Thank you to everyone who ordered chocolate bars for FODS for Wonka Chocolate Bar fundraiser, these were distributed this afternoon to the children. We can't wait to hear who got the golden tickets! Please can the finders of the golden tickets bring them into school as soon as you have them to claim your prize! Good luck everyone!

We also enjoyed a lovely World Book Day themed lunch of Beasty Burger with Fries followed by Matilda's Marvellous Mousse Cake, thank you Natascha!

Each child received their £1 book token and were invited to swap this for one of this year's World Book Day books this afternoon in school. Thank you to Fiona Duncan from The Whitby Book Shop for providing us with the books.

### Scholastic Book Club

### **Safeguarding Children Telephone Number**

If you have a safeguarding concern about a child, please note that from the 1st April 2023, the main customer service line for the new North Yorkshire Council will be changing. The new number will be **0300 131 2 131** and will replace the old 01609 780780 number. This will mean that all contacts for referrals for children within North Yorkshire need to go through the 0300 131 2 131 number. **This includes any contacts out of hours for the Emergency Duty Team.**

The contact number for the professionals line will remain the same 01609 535070.

The updated details regarding making a referral for a child in North Yorkshire have been updated on our website ([www.safeguardingchildren.co.uk/about-us/worried-about-a-child](http://www.safeguardingchildren.co.uk/about-us/worried-about-a-child)).

### **Adverse weather conditions**

Just a reminder that this week we sent out a reminder of our school policy in the event of adverse weather conditions. We are also asking that everyone completes a 'Safe place' form so that we have an alternative place logged for your child to go to should the school need to close during the school day. Please complete this form and return to the school office as soon as possible.

### **Mobile Phones, Smart Watches and Devices**

Mobile phone and smart watch technology has advanced significantly over the last few years and continues to evolve. Many phones and smart watches now offer internet and e-mail access, alongside standard functions of messaging, tracking, camera, video and sound recording. We are also seeing an increase in Smartwatch 'look-alikes' which have games and activities on which are proving a distraction to learning and are time consuming for teaching staff to monitor.

**Smartwatches and Smart-Watch lookalikes** are therefore **not permitted** to be worn to school in line with the recent change in Government guidelines.

However, in line with our passion for helping children to tell the time, a standard analogue or digital wrist watch may be worn. If you are unsure whether your child's watch is appropriate, you are welcome to check in with a member of staff.

Smart Watches and devices that are brought to school for any reason will be kept safely until the end of the school day.

For a reminder of our school uniform please see our website page [here](#)

### **My Happy Mind**

Just a reminder that you are able to access the [Parent App](#).

The children's engagement in our My Happy Mind project has been a huge success in school so far. Accessing the Parent App would help to reinforce the strategies taught in school at home and strengthen the positive habits that we are trying to encourage in our children.

### **'Pharmacy First' availability for minor illness / ailments in children**

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)

- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).

To find a local pharmacy to you visit the [NHS website](#)

There's further information about what pharmacies can do at [Let's Get Better](#)
