Updated Guidance from the DfE regarding unauthorised leave of absence

Please be advised that there have been some legal changes to the guidance that schools must follow with regards to unauthorised leave of absences during term time. The penalty amounts have been increased and also the introduction of possible legal intervention. Please see below the information from the DfE.

For unauthorised Leave of absence taken within a three-year rolling period, Penalty Notices will be issued as follows:

- *The first Penalty Notice issued to a parent in respect of a particular child will be charged at £160 if paid within 28 days, this will be reduced to £80 if paid within 21 days.*
- *A second Penalty Notice issued to the same parent in respect of the same child will be charged a flat rate of £160 if paid within 28 days.*

PLEASE NOTE:

- ***A third Penalty Notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first Penalty Notice.***
- ***In a case where the national threshold is met for the third time (or subsequent times) alternative action will be taken. This will include considering prosecution but may include other tools such as one of the other Legal Interventions to address poor attendance.***

As always, any leave of absence other than illness, must be requested in advance by completing a form to the headteacher. These forms are available from the school office.
