Newsletter

Dear Parents and Carers,

IMPORTANT URGENT INFORMATION!

Our admin email system has been shut down temporarily due to a technical issue. If you need to contact school regarding any urgent issues or for a last minute Peat Rigg query over the weekend, please email headteacher@egton.n-yorks.sch.uk or leave a message on Egton School Mobile 07890965708 and someone will get back to you soonest.

Next week is the final week of this half term and Mrs Vaughan and I will be at Peat Rigg with the Year 5 and 6 children for their week-long residential. Let's hope we get some great weather! School breaks up at 3.30pm next Friday and a reminder that there will be a FOES tuck shop at the end of school so children will need some pennies if they would like to buy anything.

Staff News!

Following an extensive interview process with a number of governors today, we are delighted to announce that Miss Lucy Hall has been appointed as infant class teacher covering Mrs Thompson's maternity leave.

Many of you already know Miss Hall as our amazing student teacher this year who will be fully qualified by the beginning of July. We look forward to welcoming Lucy to the staff team formally in September.

Year 3 4 Tri-Golf Tournament 🏌️👧👦🏌️

Last Friday, children in Years 3 and 4 spent the afternoon at Whitby Golf Club taking part in a Tri-Golf tournament with other Primary Schools in the area. They all had a lovely afternoon and learnt some new golfing skills. Well done everyone!

SATS Week 🎉🎉🎉🎉🎉🎉

Well done to all our Year 6 children who took their SATs this week. They all showed great maturity and resilience in their attitudes and we are very proud of them. After the last test on Thursday, we took them to Vi's cafe in Grosmont to meet their Year 6 friends from Danby for a celebratory lunch, which was delicious!

Recycling Heroes we need you!

Over the next few weeks, our infants are investigating different materials from home recycled packaging to make sculptures with. Please can you bring in any appropriate recycling so that the children can investigate and then make a final piece. A range of materials, shapes, and sizes would be great, though we are unable to accept glass and metal. Thank you.
